Get the best out of your photos, how to organise them, move them from your phone to your computer, plus many other tips
- **Smartphones and Tablets** - Every Tuesday (*Note the different times above*)  
Whether you want to know the basics or something more advanced bring along your smart phone or tablet, either Android or Apple, with your queries and problems. If you want to try new apps, please discuss your requests with the tutor when booking.
- **How Do I? – with Laptops, Computers & Apple Mac** – (*Note the different times above*)  
Help with your laptop. Please discuss your help requests with the tutor when booking.

## Hamilton SeniorNet Course Schedule – September 2023

---

- **FREE Westpac Workshop – Fraud & Scams** – 12<sup>th</sup> September 10am  
Westpac staff are running this session and will provide you with information on how to keep your money safe, what to look out for and how to avoid financial scams and phishing. Find out how you can stay safe online with the tips and resources this workshop will provide you with.
- **New Members** – 12<sup>th</sup> September 1pm  
Come along to find out what SeniorNet is all about and meet some of our tutors. This session is free and you are under no obligation to join (but we hope you will 😊). Take the opportunity to talk to us about what you would like to know more about, we would love to be able to help.
- **Photobooks with Diamond Photos** – 19<sup>th</sup> September 10am  
Do you want to do something different with your photos? Why not create a photobook of your holiday, childhood memories, a photo record of someone's life to give them as a gift. If you have been to this session before maybe you would like to come along to see all the new features. If you haven't been before then come along to see what can be done. **This is a FREE interest group**, though you will have to pay for the book to be printed. Bring along your photos on your laptop, tablet or flash drive.
- **Getting Started, Computer, Laptops & Apple Mac**– 26<sup>th</sup> September 10am  
This course is to teach basic skills to members using computers and laptops running Windows 10 or 11. You will need to bring along your own laptop that is fully charged. Basic skills include setting up your device to best meet your eyesight and dexterity requirements; learning mouse and keyboard skills, basic navigation, how to shut down your device; setting up your email and web browser.
- **Getting started with Google Docs** – 26<sup>th</sup> September 1pm  
So, you have a Gmail address and want to create and save documents similar to Microsoft Word. Come along and learn about Google Docs and Google Drive.

Do you have questions on a subject that we haven't offered as a class recently?  
Or is there a new class you would like us to add?

If so, please let us know either by phoning one of the listed tutors or by replying to this email.
