- How To – with laptops** – Every Tuesday (*Note the different times above*)
 Help with your laptop, computer or Apple Mac. From beginners to more advanced wanting to update skills, email, filing, folders etc. Have you upgraded from Windows 10 to Windows 11 and feel a bit lost? Learn how to make using your computer or laptop easier. You will need to bring along your own device that is fully charged. Please discuss your help requests with the tutor when booking.
- How to – with Smartphones and Tablets** - Every Tuesday (*Note the different times above*)
 Whether you want to know the basics or something more advanced bring along your smartphone or tablet, either Android or Apple, with your queries and problems. If you want to try new apps, please discuss your requests with the tutor when booking.

Hamilton SeniorNet Course Schedule – April 2024

- **New Members** – 9th April 1pm
Come along to find out what SeniorNet is all about and meet some of our tutors. This session is free and you are under no obligation to join (but we hope you will 😊). Take the opportunity to talk to us about what you would like to know more about, we would love to be able to help.
- **WORKSHOP: Your Google Account – Gmail, Google apps and more ...** 16th April 10am
If you have a Gmail address, did you know you have a Google account? What else is in your Google account beside Gmail and the Google apps? Come along to find out. You may be surprised. Learn how to delete a Google account you no longer use.
- **Photobooks** – 16th April 11:30am
Do you want to do something different with your photos? Why not create a photobook of your holiday, childhood memories, a photo record of someone's life to give them as a gift. If you have been to this session before maybe you would like to come along to see all the new features. If you haven't been before then come along to see what can be done. Bring along your photos on your laptop, tablet or flash drive.
- **Working with Photos** – 23rd April 10:00am
Get the best out of your photos, how to organise them, move them from your phone to your computer, plus many other tips
- **WORKSHOP – Fire Safety in the Home** – 23rd April 1pm
See what your household needs to prevent or survive a house fire, including smoke alarms and how to create an escape plan. Correct care of lithium batteries
- **Genealogy with Legacy** – 30th April 11.30am
Legacy Family Tree is genealogy software for Windows that assists family historians in tracking, organizing, printing, and sharing family history.
