- **WORKSHOP: SeniorHangouts** – 7th May 10am - A demonstration on what is available and how to access this online SeniorNet website. If you haven't accessed Hangouts before we will organise for you be signed up. Come along to find out how to access and use this great resource.
- **How to – with Smartphones and Tablets** - *Note the different days and times above.* Whether you want to know the basics or something more advanced bring along your smartphone or tablet, either Android or Apple, with your queries and problems. Help with emails or social media. If you want to try new apps, please discuss your requests with the tutor when booking.
- **How To – with Laptops** – *Note the different days and times above*
Help with your laptop, computer or Apple Mac. From beginners to more advanced wanting to update skills, email, filing, folders etc. Have you upgraded from Windows 10 to Windows 11 and feel a bit lost? Learn how to make using your computer or laptop easier. You will need to bring along your own device that is fully charged. Please discuss your help requests with the tutor when booking.

Hamilton SeniorNet Course Schedule – May 2024

- **WORKSHOP: Banking** – 14th May 10am - Westpac staff will provide you with individual help to start or upskill your on-line banking. You do not have to be a Westpac customer but please let the tutor know which bank you use. It is important to ring and book into this workshop by contacting the tutor on the Course Schedule
- **New Members** – 14th May 1pm
Come along to find out what SeniorNet is all about and meet some of our tutors. This session is free and you are under no obligation to join (but we hope you will 😊). Take the opportunity to talk to us about what you would like to know more about, we would love to be able to help.
- **WORKSHOP: Xtra email** – 21st May 10am
Spark is sending out notices to its Xtra email customers advising that from 16 May 2024 new charges will be applicable for the Xtra email service. Your email is linked to your bank accounts, maybe as a username for various online services you use, it is part of the security checks used to keep your online accounts secure. Some services and subscriptions are hard-wired to the email address used when they were first set-up. This means that **cancelling or changing these email addresses MUST be carefully managed and will take some time.**
- **Excel** – 21st May 11:30am
Excel is an electronic spreadsheet program that is used for storing, organizing, and manipulating data. A few of the uses for excel are: calculating, charting, scheduling, various lists, managing your monthly expenses etc.
- **Genealogy with Legacy** – 21st May 11.30am
Legacy Family Tree is genealogy software for Windows that assists family historians in tracking, organizing, printing, and sharing family history.
- **WORKSHOP: Need A Nerd** - 28TH May 11:30am
How to maintain your Windows 10 or 11 PC, sending/viewing photos from your device to your TV, plus more.
