- **How To – with Laptops, Computers, Apple Macs & Chromebooks** – *Note the different days and times above*

Help with your laptop, computer or Apple Mac. From beginners to more advanced wanting to update skills, email, filing, folders etc. Have you upgraded from Windows 10 to Windows 11 and feel a bit lost? Learn how to make using your computer or laptop easier. You will need to bring along your own device that is fully charged. Please discuss your help requests with the tutor when booking.

- **How to – with Smartphones and Tablets** - *Note the different days and times above.*
Whether you want to know the basics or something more advanced bring along your smartphone or tablet, either Android or Apple, with your queries and problems. Want help with emails or social media? Want to try new apps or tips and tricks to make your phone your friend? Please discuss your requests with the tutor when booking.
- **WORKSHOP Useful Phone Apps - Free – 3rd June 1pm:** There are thousands of apps out there, far too many for us to cover but we can show you some of the ones that we find most useful such as **Genius Scan** – Easily scan documents etc; **Gaspy** – the nearest or cheapest petrol station; **Find my Car** – never lose your car in the carpark again; **Find my Phone**; **AED NZ** – locate the nearest Automatic External Defibrillator; **Seeing AI** (Apple) or **Lookout** (Android) Assisted Vision – will read a document; **WhatsApp** – share messages and photos, make phone and video calls; **PayMyPark** – paying for parking in Hamilton; **Antenno** – City Council report it, rubbish collection reminders etc. Plus, many more. If you have some favourites then please let us know.
- **WORKSHOP Westpac – 10th June 10am** - Westpac staff are running this session and will provide you with information on how to keep your money safe, what to look out for and how to avoid financial scams and phishing. Find out how you can stay safe online with the tips and resources this workshop will provide you with.
- **New Members – 10th June 1pm:** Come along to find out what SeniorNet is all about and meet some of our tutors. This session is free and you are under no obligation to join (but we hope you will 😊). Take the opportunity to talk to us about what you would like to know more about, we would love to be able to help.
- **Getting started with Genealogy – 17th June 11:30am:** Legacy Family Tree is genealogy software for Windows that assists family historians in tracking, organizing, printing, and sharing family history. This class is for both beginners and those of you who want some extra tips on using a family tree.
- **Working with Photos – 17th June 11:30am:** Get the best out of your photos, how to organise them, move them from your phone to your computer, plus many other tips.
- **WORKSHOP Free – 24th June 10am – Windows 10 End of Life:** Microsoft has announced that October 14th 2025 will be the End-of-Life date for Windows 10. After this date Microsoft will stop providing security updates, bug fixes and technical support for Windows 10 plus no new features will be added to the operating system. Come along to find out how this will affect you and what your options are going forward.

Do you have questions on a subject that we haven't offered as a class recently?
Or is there a new class you would like us to add?

If so, please let us know either by phoning one of the listed tutors or by replying to this email.
