- WORKSHOP Free 8<sup>th</sup> July 10am: Hamilton library with PressReader. (Online newspapers & magazines) What it is, how to get it, and how to use it. Bring along your library card and PIN plus your smartphone, laptop or tablet.
- How To with Laptops, Computers, Apple Macs & Chromebooks Note the different days and times above

Help with your laptop, computer or Apple Mac. From beginners to more advanced wanting to update skills, email, filing, folders etc. Have you upgraded from Windows 10 to Windows 11 and feel a bit lost? Learn how to make using your computer or laptop easier. You will need to bring along your own device that is fully charged. Please discuss your help requests with the tutor when booking.

- How to with Smartphones and Tablets: Note the different days and times above.
  Whether you want to know the basics or something more advanced bring along your smartphone or tablet, either Android or Apple, with your queries and problems. Want help with emails or social media? Want to try new apps or tips and tricks to make your phone your friend? Please discuss your requests with the tutor when booking.
- New Members 8<sup>th</sup> July 1pm: Come along to find out what SeniorNet is all about and meet some of our tutors. This session is free and you are under no obligation to join (but we hope you will <sup>(2)</sup>). Take the opportunity to talk to us about what you would like to know more about, we would love to be able to help.
- Files & Folders 15<sup>th</sup> July 1pm: Finding your saved documents, emails etc can be a problem. Can you find your document or photo once you have saved it? Create folders and name documents to locate them easily. Come along and find out how to set up an electronic filing system on your laptop. This session does not cover saving documents to the cloud.
- WORKSHOP Free 22<sup>nd</sup> July 10am: Gmail. Are you getting the most out of your Gmail account? Do you know how to create, use labels (folders) and create subfolders to organise your email or how to move your email, singly or in groups, into them. Can you add, edit and delete your contacts in Gmail plus more.
- Getting started with Genealogy 29<sup>th</sup> July 11:30am: Legacy Family Tree is genealogy software for Windows that assists family historians in tracking, organizing, printing, and sharing family history. This class is for both beginners and those of you who want some extra tips on using a family tree.
- Working with Photos 29<sup>th</sup> July 11:30am: Get the best out of your photos, how to organise them, move them from your phone to your computer, plus many other tips.
