- **How to – with Smartphones and Tablets:** *Note the different days and times above.*
 Whether you want to know the basics or something more advanced bring along your smartphone or tablet, either Android or Apple, with your queries and problems. Want help with emails or social media? Want to try new apps or tips and tricks to make your phone your friend? Please discuss your requests with the tutor when booking.
- **How To – with Laptops, Computers, Apple Macs & Chromebooks –** *Note the different days and times above*
 Help with your laptop, computer or Apple Mac. From beginners to more advanced wanting to update skills, email, filing, folders etc. Have you upgraded from Windows 10 to Windows 11 and feel a bit lost? Learn how to make using your computer or laptop easier. If you are wanting help with Microsoft Word or Excel then this is also the class for you. You will need to bring along your own device that is fully charged. Please discuss your help requests with the tutor when booking.

- **New Members – 10th February 1pm:** Come along to find out what SeniorNet is all about and meet some of our tutors. This session is free and you are under no obligation to join (but we hope you will 😊). Take the opportunity to talk to us about what you would like to know more about, we would love to be able to help.
- **Working with Photos – 17th Feb 1pm:** Get the best out of your photos, how to organise them, move them from your phone to your computer, plus many other tips.
- **Getting started with Genealogy – 17th February 1pm:** Legacy Family Tree is genealogy software for Windows that assists family historians in tracking, organizing, printing, and sharing family history. This class is for both beginners and those of you who want some extra tips on using a family tree.
- **WORKSHOP Free – 24th Feb 10am: – Managing your Gmail.** So, you have one or more Gmail addresses. Emails out of control? Come along for some tips to better manage your emails. Bring your phone or tablet or laptop.
