if you agree with a statement or if you disagree. Not sure? Please

Smartphone / Tablet

- I am new to using this device and am not comfortable using it yet
 I know the basics i.e. make & answer a phone call or text, take a photo, use a map, download or delete an app.
 I can find my way around my device but would like to learn more

Using a computer

- I know the basics i.e. start up, shut down, open an app.
 I can use a keyboard, mouse or touchpad to point, click, double-click & right click.
 I can save a file then locate and open a saved file
 I can create folders to save my work
