- How to – with Smartphones and Tablets:** *Note the different days and times above.*
 Whether you want to know the basics or something more advanced bring along your smartphone or tablet, either Android or Apple, with your queries and problems. Want help with emails or social media? Want to try new apps or tips and tricks to make your phone your friend? Want to know how to use your voice to search or type? Please discuss your requests with the tutor when booking.
- WORKSHOP Free – Keeping Safe On-line – 2nd June 11.30am:** This workshop takes a look at the latest scams and includes a webinar about AI and deep fakes and how these can impact you.

Hamilton SeniorNet Class Timetable – May 2026

- **How To – with Laptops, Computers, Apple Macs & Chromebooks** – *Note the different days and times above*
Help with your laptop, computer or Apple Mac. From beginners to more advanced wanting to update skills, email, filing, folders etc. Have you upgraded from Windows 10 to Windows 11 and feel a bit lost? Learn how to make using your computer or laptop easier. If you are wanting help with Microsoft Word or Excel then this is also the class for you. You will need to bring along your own device that is fully charged. Please discuss your help requests with the tutor when booking.
- **New Members – 9th June 1pm:** Come along to find out what SeniorNet is all about and meet some of our tutors. This session is free and you are under no obligation to join (but we hope you will 😊). Take the opportunity to talk to us about what you would like to know more about, we would love to be able to help.
- **Getting started with Genealogy – 16th June 01:00pm:** Legacy Family Tree is genealogy software for Windows that assists family historians in tracking, organizing, printing, and sharing family history. This class is for both beginners and those of you who want some extra tips on using a family tree.
- **Working with Photos – 16th June 01:00pm:** Get the best out of your photos, how to organise them, move them from your phone to your computer, plus many other tips.
- **WORKSHOP Free – Samsung Messages Shutdown - 23rd June 10am** – The Samsung Messages app is to be discontinued from July this year. This will affect everyone using a smartphone or tablet running Android 12 and above (Android 11 and below will not be affected). Come along to find out how to switch to the Google Messages app and keep your texts to maintain a consistent messaging experience.
- **INTEREST GROUP - Artificial Intelligence (AI) – 23rd June 1pm:** A small interest group for those of you who attended the AI Workshop and want to share your learning journey as well as learn what others are discovering using AI. Bring your device fully charged and be ready to share what you have been doing with AI. This will be a regular interest group. Numbers will be limited.
- **WORKSHOP Free – Photobooks – 30 June 10am:** Do you have lots of photos on your laptop or phone and never look at them? Why not put your holiday photos into a book. Your grandchildren will love a book all about them, or a mug or calendar with their photo on it. This session will show you how to make both photobooks and personalised gifts such as mugs, clothing, calendars, cards, Christmas tree decorations and more.

Do you have questions on a subject that we haven't offered as a class recently?
Or is there a new class you would like us to add?

If so, please let us know either by phoning one of the listed tutors or by replying to this email.
