- **WORKSHOP (Free) – 1st September 10am How to maintain your Windows laptop or computer:** Learn about the things you can do regularly to keep your laptop or computer working efficiently. Do you update the software regularly; delete/uninstall unnecessary or unwanted files and programmes; what is defragging, do you need to do this, and more? Come along to discover how to get the best from your laptop or PC.
- **How To – with Laptops, Computers, Apple Macs & Chromebooks** – *Note the different days and times above.* Help with your laptop, computer or Apple Mac. From beginners to more advanced wanting to update skills, email, filing, folders etc. Have you upgraded from Windows 10 to Windows 11 and feel a bit lost? Learn how to make using your computer or laptop easier. If you are wanting help with Microsoft Word or Excel then this is also the class for you. You will need to bring along your own device that is fully charged. Please discuss your help requests with the tutor when booking.
- **How to – with Smartphones and Tablets:** *Note the different days and times above.* Whether you want to know the basics or something more advanced bring along your smartphone or tablet, either Android or Apple, with your queries and problems. Want help with emails or social media? Want to

Hamilton SeniorNet Class Timetable – September 2026

try new apps or tips and tricks to make your phone your friend? Want to know how to use your voice to search or type? Please discuss your help requests with the tutor when booking.

- **Working with Photos – 8th September 10am:** Get the best out of your photos, how to organise them, move them from your phone to your computer, plus many other tips.
- **New Members – 8th September 1pm:** Come along to find out what SeniorNet is all about and meet some of our tutors. This session is free and you are under no obligation to join (but we hope you will 😊). Take the opportunity to talk to us about what you would like to know more about, we would love to be able to help.
- **WORKSHOP Free – Need A Nerd 15th September 10am:** - Mike Balemi, from Need A Nerd, provides expert tech support and in-home services. He will help us understand 'What is cloud storage and should you use OneDrive, Google Drive, iCloud or Drop Box'? Is backing up to the cloud the same as backing up your laptop and PC? Come and hear Mike demystify cloud storage and device back-up, and more.
- **WORKSHOP Free - Introduction to AI – 15th September 1pm:** What is AI? Can I trust AI? What can I use it for? Can I use to help me with everyday tasks like shopping? Start your AI journey with Glen.
- **INTEREST GROUP (Free) - Artificial Intelligence (AI) 22nd September 1pm:** A small interest group for those of you who attended the AI Workshop and want to share your learning journey as well as learn what others are discovering using AI. Bring your device fully charged and be ready to share what you have been doing with AI. This will be a regular interest group. Numbers will be limited.

Do you have questions on a subject that we haven't offered as a class recently?
Or is there a new class you would like us to add?
