- **How To – with Laptops, Computers, Apple Macs & Chromebooks** – *Note the different days and times above.* Help with your laptop, computer or Apple Mac. From beginners to more advanced wanting to update skills, email, filing, folders etc. Have you upgraded from Windows 10 to Windows 11 and feel a bit lost? Learn how to make using your computer or laptop easier. If you are wanting help with Microsoft Word or Excel then this is also the class for you. You will need to bring along your own device that is fully charged. Please discuss your help requests with the tutor when booking.
- **How to – with Smartphones and Tablets:** *Note the different days and times above.* Whether you want to know the basics or something more advanced bring along your smartphone or tablet, either Android or Apple, with your queries and problems. Want help with emails or social media? Want to try new apps or tips and tricks to make your phone your friend? Want to know how to use your voice to search or type? Please discuss your help requests with the tutor when booking.

## Hamilton SeniorNet Class Timetable – November 2026

---

- **Useful Apps (Smartphones) – 3<sup>rd</sup> November 1pm:** There are thousands of apps out there, far too many for us to cover but we can show you some of the ones that we find most useful such as Genius Scan – to easily scan documents etc.; Gaspy – the nearest or cheapest petrol station; Find my Car – never lose your car in the carpark again; Seeing AI – will read a document; Antenno and Pay My Park from Hamilton City Council. how to add emergency contact information to your phone and many more. If you have some favourites then please let us know.
- **Workshop (Free) Managing Email – 10<sup>th</sup> November 10am:** So, you have one or more Gmail addresses. Emails out of control? Come along for some tips to better manage your emails. Bring your phone, tablet or laptop.
- **Genealogy with Legacy – 10<sup>th</sup> November 1pm:** Legacy Family Tree is genealogy software for Windows that assists family historians in tracking, organizing, printing, and sharing family history. This class is for both beginners and those of you who want some extra tips on using a family tree.
- **Working with Photos 10<sup>th</sup> November 1pm:** Get the best out of your photos, how to organise them, move them from your phone to your computer, plus many other tips.
- **ARTIFICIAL INTELLIGENCE (AI) INTEREST GROUP (Free) – 17<sup>th</sup> November 1pm:** A small interest group for those of you who attended an AI Workshop and want to share your learning journey as well as learn what others are discovering using AI. Bring your device fully charged and be ready to share what you have been doing with AI. This is a regular interest group.

\* **Combined Laptop and Smartphone classes.**

Do you have questions on a subject that we haven't offered as a class recently?  
Or is there a new class you would like us to add?

If so, please let us know either by phoning one of the listed tutors or by replying to this email.
